AFTER PULLING HIS ARM OUT, THE FLOODING BECAME A LOT FASTER...!!
IF WE DON'T GET OUT OF HERE QUICKLY, IN A FEW MINUTES WE WILL BE COMPETELY SUB-MERGED!!
BUT HOW!?

EVEN IF WE WENT BACK THROUGH THE SAME DOOR I CAME IN,
THE GUEST CABIN UPSTAIRS WOULD BE ALMOST SUBMERGED
MOREOVER, ONCE THE DOOR IS OPENED, THE WATER WILL RUSH IN INSTANTLY,
WITH YURI-CHAN'S FATHER ON MY BACK, THERE IS NO WAY I WOULD BE ABLE TO RESIST THE WATER RUSHING IN...!!!
ALTHOUGH ONCE THIS PLACE IS SUBMERGED, THERE WILL NO LONGER BE WATER FLOWING IN,
BUT I HAD USED UP THE REMAINING AIR IN THE OXYGEN TANK WHEN I WAS TRYING TO PULL OUT HIS ARM. THERE'S NO WAY I AM ABLE TO DIVE UNDERWATER ALL THE WAY BACK...
SOMEHOW...
SOMEHOW I HAVE TO FIND ANOTHER WAY OUT!!

THE LACERATION ON HIS LEFT UPPER ARM...
